

Walden HOA Board Election: Call for Board Nominations

The Walden HOA Board election is approaching, and we are seeking candidates interested in serving our community during the next two years, 2027/2028 term.

Five Board positions will be filled through a membership ballot. For the election referendum to meet quorum, ballots representing at least 25% of the Association's eligible votes must be returned. Only one member of a household may serve on the Board at a time. Please read the Walden Bylaws on the Walden website:

INTERESTED IN VOLUNTEERING?

Residents do not have to serve on the Board to make a meaningful contribution to Walden.

If you would like to volunteer, please email: contact@waldenhwa.org and identify the area or activities in which you would be interested in helping. There will be many opportunities for residents to participate throughout the year.

NOMINATING COMMITTEE

The Board has appointed a Nominating Committee to solicit and accept nominations and assist with the election process. Committee members are neutral residents with relevant experience who are not seeking election to the Board.

David Diehl and Dana Tilton are currently serving on the Nominating Committee at the Board's request. A third neutral resident may be appointed to assist with ballot tabulation after voting closes.

The committee will also facilitate an in-person voting event at the Walden Clubhouse after ballots are distributed. The date, time, location, and ballot-return deadline will be included with the official election materials.
